DONATING TO THE FOUNDATION

A way to support our library

WHO ARE WE ?

Friends of the Saint-Lambert Library Foundation was created in 1995. It is an independent non-profit organization whose mission is to further the advancement and development of the library.

Since its creation, the Foundation has raised over 2.5 million dollars towards its mission.

WHY DONATE ?

You do not have to possess enormous wealth to donate. Those who donate are frequently users of the library who wish to contribute to the improved service offerings of the library.

Over the years, the numerous donations made by companies and citizens have helped to finance the following :

In 1999

The expansion of the library, including the addition of the Desjardins foyer.

In 2017

A complete renovation of the library.

The Foundation also finances :

Cultural Activities

- **Story time with Judy** is directed towards children aged 3 to 5.

For 10 years, the Foundation's support has resulted in offering over **300 cultural activities** in both French and English which have reached out to more than **10 000 children and adults**.

Purchase of special documents

- Digital books
- Audio books
- Video games, board games, etc.

Over **2000** items have been purchased by the Foundation over a period of 10 years.

In total, the Foundation has allowed the library to purchase thousands of books in both English and French.

The Foundation aims to raise \$15,000 annually in order to continue to support these cultural activities and book purchases.

Would you also like to participate in the library's development?
